CTE Liaison Memo

November 2019

Hello CTE Liaison colleagues!

The 2019-2020 ASCCC CTE Leadership committee is providing this memo to support CTE Liaisons with information and resources to disseminate to local academic senates, faculty, and others who may find them relevant and useful.

The [ASCCC Directory](#) is the directory listings for each college academic senate where you can choose/ click a college name for additional information. If a college has designated a CTE Liaison, it will be found on the ASCCC Directory. If a college has not done so, they are encouraged to designate a CTE Liaisons and send an email with the current and/or updated information to: directoryupdate@asccc.org.

Specific information on the role of the CTE Faculty Liaison can be accessed [HERE](#).

MODEL CURRICULUM!

[CTE Minimum Qualifications Equivalency Toolkit](#): The CTE Minimum Qualification Equivalency Tool Kit is to assist with screening for minimum qualifications of potential Career Technical Education (CTE) faculty and in the use of equivalency to determine suitability for employment at community colleges. The intent of this toolkit is to maximize the flexibility currently allowed in the use of equivalency to bolster deep, diverse, and qualified pools of industry expert candidates for CTE programs.

[Local Academic Senate Visits](#): The role of the ASCCC in a local academic senate visit is to listen to discussions, share resources, and consider questions/concerns. The visit can be with the various constituents throughout the campus and provided in various timeframes for whatever bests supports your local college.

We are here to support you! Local academic senate visit services are included in the membership dues for colleges, therefore there is no additional cost.
