2001-2002 BUDGET SUMMARY (CHAPTER 106)

6870485

- (1) \$3,153,000 to the California Community Colleges for the purpose of funding 2000-01 costs for the Part-time Faculty Office Hours Program. Notwithstanding Education Code §87885, or any other provision of law, these funds shall provide up to 50% of the total costs (including state and local matching funds) of the compensation paid for office hours of part-time faculty. Furthermore, the use of these funds is contingent upon the enactment of legislation to reinstate the 1:1 state to local matching ratio.

- (4) \$7,172,000 to the California Community Colleges for the purpose of funding 2001-02 costs for the Part-time Faculty Office Hours Program. Of the funds provided, the use of \$4,672,000 is contingent upon the enactment of legislation to reinstate the 1:1 state to local matching ratio.

- (5) \$57,000,000 to the California Community Colleges solely to increase compensation for part-time faculty from the amounts previously authorized. Funds shall be distributed to districts based on the total actual full-time equivalent students served in the previous fiscal year and include a small district factor as determined by the chancellor. These funds are to be used to assist districts in making part-time faculty salaries more comparable to full-time salaries for similar work, as determined by each district's local collective bargaining unit. These funds shall not supplant the amount of resources each district used to compensate part-time faculty or be used to exceed parity of each part-time faculty employed by each district with regular full-time faculty at the same district, as certified by the chancellor. If a district achieves parity, its allocation may be used for any other educational purpose.
