The Academic Senate is pleased to announce the call for nominations for the Exemplary Program Award. Sponsored annually by the Foundation for California Community Colleges, the Board of Governors established the Exemplary Program Award in 1991 to recognize outstanding community college programs.

The Academic Senate selects annual themes related to the award's traditions and statewide trends. The California Community Colleges system is the largest public higher education system in the country, enrolling over 2.4 million students. California community colleges have had to adapt to a changing landscape, including fire, pandemic, social injustice, and civil unrest, in order to best serve their students. In light of the work that colleges and faculty have done to maintain the focus on student success, the Academic Senate selected the theme of ***Addressing Inequity in a Time of Crisis*** for this year's 2021-22 Exemplary Program Award. Excellence in this area can be demonstrated in programs by faculty and for faculty to aid in transitioning to and from virtual environments, engaging in transformative curriculum design, supporting colleagues through professional development, mental health support, and other services, and promoting efforts to advance social justice and establish equity-driven practices.

Sincerely,
Krystinne Mica, executive director
