

Annual Institutes

The Academic Senate for California Community Colleges holds annual institutes on a variety of topics of interest. All dates for the following institutes have been determined for the coming year and are provided below. It is important to note that each Institute is limited to a small number of participants each year, so it is advisable to register online early at www.asccc.org. Additional information regarding the program and details of each event is also available on our website.

Academic Senate recognizes that many local senates may not be able to send faculty to the annual institutes. So, our Executive Committee has budgeted funds to award faculty scholarships to attend all institutes and plenary sessions. The scholarships are limited so complete an online registration for the Institute of interest, notating your request for scholarship and email your description of assistance to events@asccc.org. Institute registration and information can be found online at www.asccc.org. For more information about scholarship rules or questions, email events@asccc.org.
