

**ASCCC Executive Committee Meeting: September 17-19, 2020**

**Agenda Item II.D UPDATE**

## **Part-time Committee Charge**

PTC proposes the following updates to the committee charge noted in all caps below, which celebrates and supports diversity and reflects the ASCCC values and inclusivity statement:

The Part-time Faculty Committee provides recommendations to the Executive Committee on academic and professional matters THAT AFFECT part-time faculty members. The committee RECOGNIZES THAT PART-TIME FACULTY MAKE UP THE MAJORITY OF CALIFORNIA COMMUNITY COLLEGE FACULTY AND THEREFORE SERVE DISPROPORTIONATELY-IMPACTED STUDENTS. THIS COMMITTEE advocates for OUR DIVERSE part-time faculty colleagues, ENSURING THEM access to professional and leadership development offerings, as well as shared governance opportunities at the local and statewide level. The Part-time Faculty Committee collaborates with the Executive Committee to develop and provide forums where part-time faculty gain additional insight on issues germane to academic and professional needs. THIS COMMITTEE IS ALSO FOCUSED ON PROMOTING DIVERSITY WITHIN PART-TIME FACULTY POOLS WITH THE GOAL OF HAVING EDUCATORS WHO REFLECT THE STUDENT POPULATION. THIS COMMITTEE FURTHER COMMITS TO EMPOWERING PART-TIME FACULTY VOICES WHO HAVE BEEN HISTORICALLY EXCLUDED (E.G., COLLEAGUES OF COLOR).
