At the ASCCC meeting in June 2022, the ASCCC Executive Committee approved new policies and procedures for recordings of local academic senate visits.

On August 1st, 2022 Grossmont College requested a recording of their local academic senate visit scheduled from 10:10 am – 11:10 am on August 18th, 2022. Due to the nuanced timing of the request (new policies and procedures in place), it is requested that the ASCCC consider this agenda item and can later determine if we need to agendize the discussion of other aspects of requests in the future. The ASCCC Executive Director, in accordance with the existing policy, is recommending this for request for approval.

Desired outcome: The ASCCC Executive Committee will consider for approval recording the local academic senate meeting at Grossmont College on August 18th, 2022 and give further direction to the visiting Executive Committee members on what is next in the process.
