

# **MEMOS, LEGISLATION, MANDATES, AND GOALS – C-IDs, ADTs, TMCs, AND YOU**

**Julie Bruno, Sierra College  
C-ID Liaison and Facilitator, ICW**

**Michelle Pilati, Rio Hondo College  
Faculty Coordinator, C-ID**

# Overview

- DIG > FDRG > TMC > COT > ADT
- MEMOS
- LEGISLATION
- BoG GOALS
- Huh?

# Most importantly...

- What do you have to do and when do you have to do it by - and who says so?

# Temperature check

# DIG > FDRG > TMC > COT > ADT

- DIG – Come one, come all
  - Discipline Input Group
  - CCC and CSU discipline faculty and AOs when focus is C-ID descriptor and TMC development
  - Future and in-progress disciplines:
    - <http://www.c-id.net/listserv.html>

## Academic Senate for California Community Colleges Discipline Listservs - Master List

Instructions for subscribing or unsubscribing yourself to a discipline listserv:

- Click on the appropriate link.
- Then, enter your Email address and Name then click on "Join or Leave the list."
- Do not change any of the settings under the following items:

Choose your discipline

- C-ID Newsletter
- Addiction Studies
- Agriculture
- Allied Health
- Anthropology
- Art
- Automotive Technology
- Biology
- Biotechnology
- Business
- Chemistry
- Child Development
- Communication Studies
- Computer Information Systems (CIS)
- Computer Science
- Criminal Justice
- Dance
- Drama/Theater
- Earth Sciences

Choose your discipline

email to join the list. You will need to confirm your subscription. There is a time limit to confirm your subscription.

any list - information will only be dispersed via email. Do not be overwhelmed with emails.

# DIG > FDRG > TMC > COT > ADT

- DIG > Faculty Discipline Review Group
  - Senate-appointed faculty
  - Develop draft TMC
  - What happens when a TMC is “done”?
  - What determines when a TMC is “done”?

# When is a TMC “done”?

- Available for “local consideration” upon “acceptance” by ICFW.
- TMC not deemed “done” until it is available for full “use”, i.e., until it can be submitted to the CCC Chancellor’s Office for approval
- What determines when this can happen?
- Why?

# CCCCO Template

- “COT”
- September 1
- February 1

# DIG > FDRG > TMC > COT > ADT

- DIG – Faculty initiate development
- FDRG – Senate-appointed faculty
- TMC – Developed by the FDRG and accepted by ICFW
- COT - CCCCO Template Developed
- Local ADT development possible

# MEMOS

- May 22, 2012 – Associate Degrees for Transfer
- November 21, 2012 – AA-T and AS-T Goals – Attaining 100 Percent by College
- November 30, 2012 – SB 1440 Student Transfer Achievement Reform Act and SB 1415 Common Course Numbering
- May 20, 2014 – C-ID Verification Timeline for AA-T and AS-T Degrees

May 22, 2012 –

## Associate Degrees for Transfer

- Introduces BoG Goal of...
  - ...each college having AA-T and AS-T degrees approved by **Fall of 2013 in 80% of the majors** they offer in which there is a TMC and in **100% by Fall of 2014**.
- CSU Goal
  - “..by the end of Spring 2012, each CSU campus will provide a degree pathway in every major it offers for which there is a TMC.”

# Obvious issues...

- Fall of 2013 in 80% of the majors they offer in which there is a TMC and in 100% by Fall of 2014.
- 80% and 100% of what?
- What happens if degree development does not happen?

# November 21, 2012 – AA-T and AS-T Goals – Attaining 100%..

- Effectively introduces “pollution credits”.
- What does that mean?
- ...and spells out the “of what”.
- By fall 2014 the number of ADTs to be offered by the college should equal the total number of active AA and AS degrees offered in disciplines aligned with TMC template curriculum.
- “Aligned” defined as sharing a TOP Code.

# November 30, 2012 – SB 1440 and SB 1415

- ADTs and Common Course Numbering
- Changes rules regarding courses in ADTs
  - Self-certification of alignment to a C-ID descriptor and/or articulation in lieu of a C-ID designation no longer permitted.
  - CCCs must review and amend all active ADT degrees where either process was used.
- By June 2013, all colleges must submit courses in existing degrees for C-ID approval.
- By June 2014, all courses must have “pending or final C-ID status”.

# November 30, 2012 – SB 1440 and SB 1415

- IF you don't have “pending or final C-ID status” ...
- “The Chancellor's Office will begin deactivating all noncompliant AA-T and AS-T degrees beginning June 2014 that do not have C-ID numbers where descriptors exist.”

# Associate Degree for Transfer Goal

Now

2013  
January

June 1

2014  
January

June 1

80%

100%

Replace self-certified C-ID  
with pending or final C-ID

Replace the use of articulation if C-ID exists

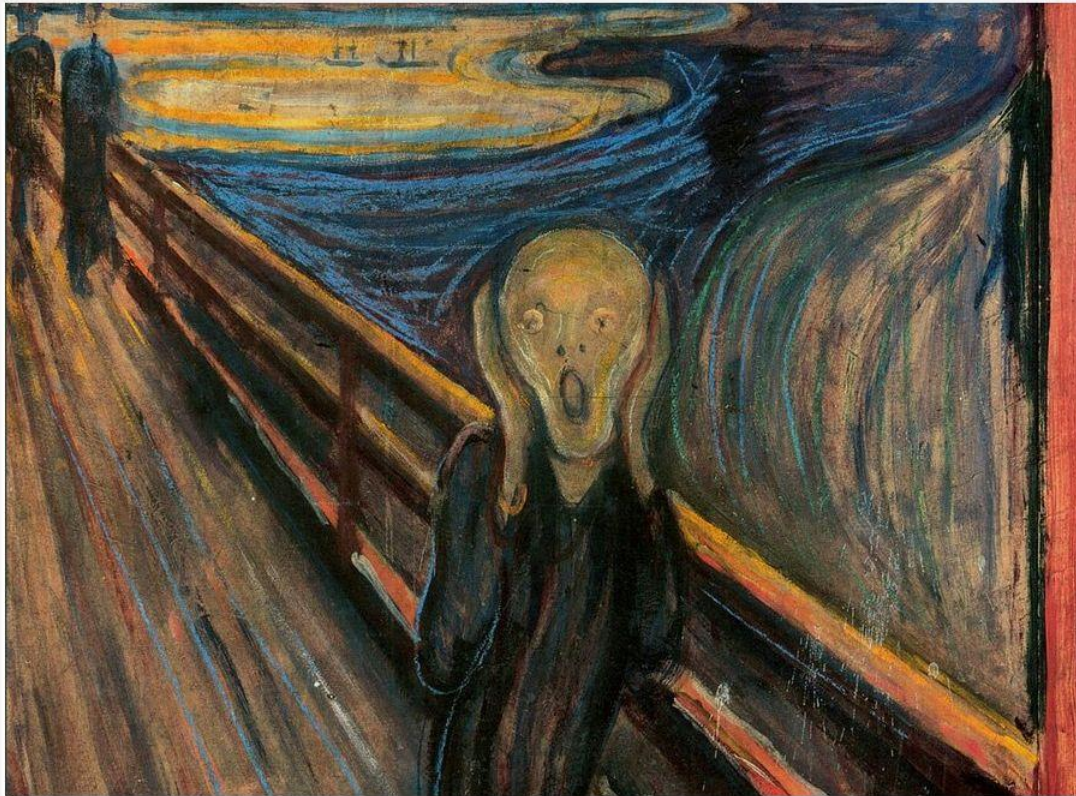

New degree proposals must  
show that C-ID approval is  
pending or final if C-ID exists;  
use articulation only if C-ID does  
not exist \*

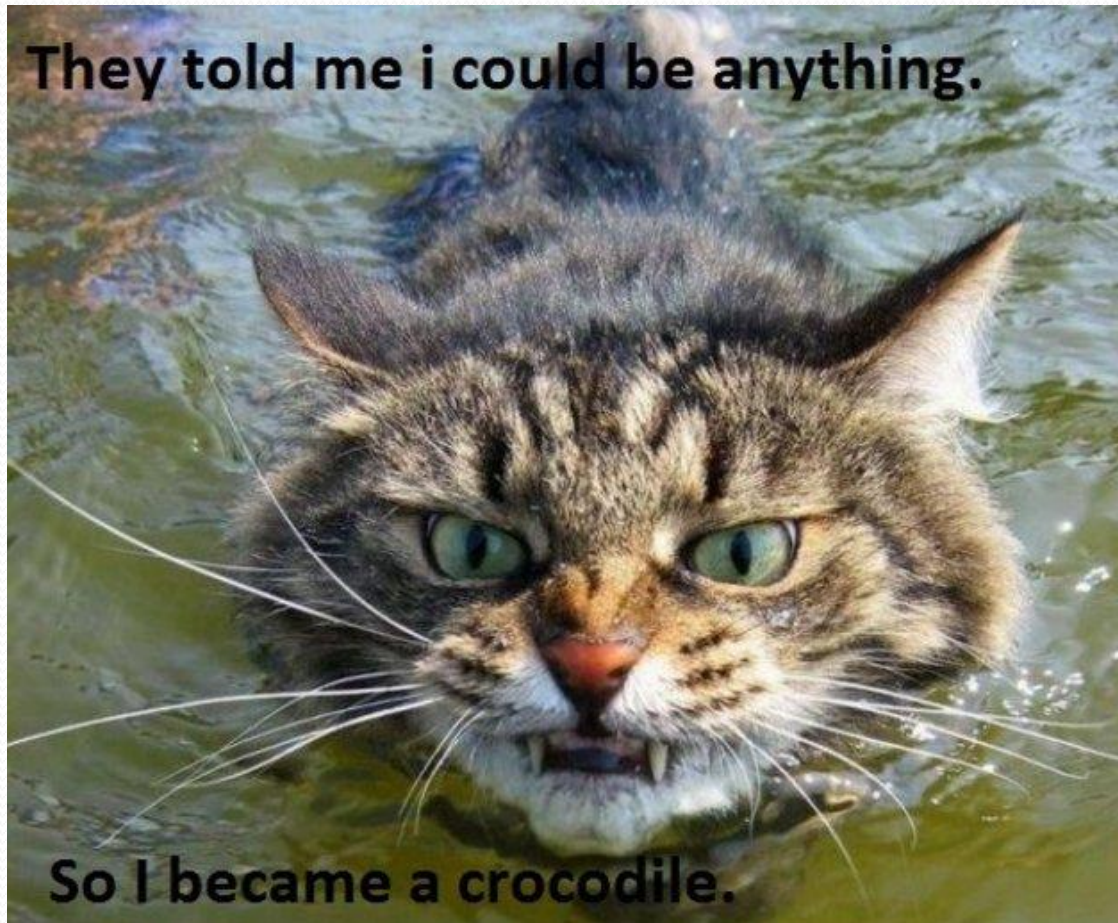

\*Articulation may not be used  
to bypass C-ID participation.

All non-conforming  
degrees pulled

Oh no!

# How can that be?

**They told me i could be anything.**

**So I became a crocodile.**

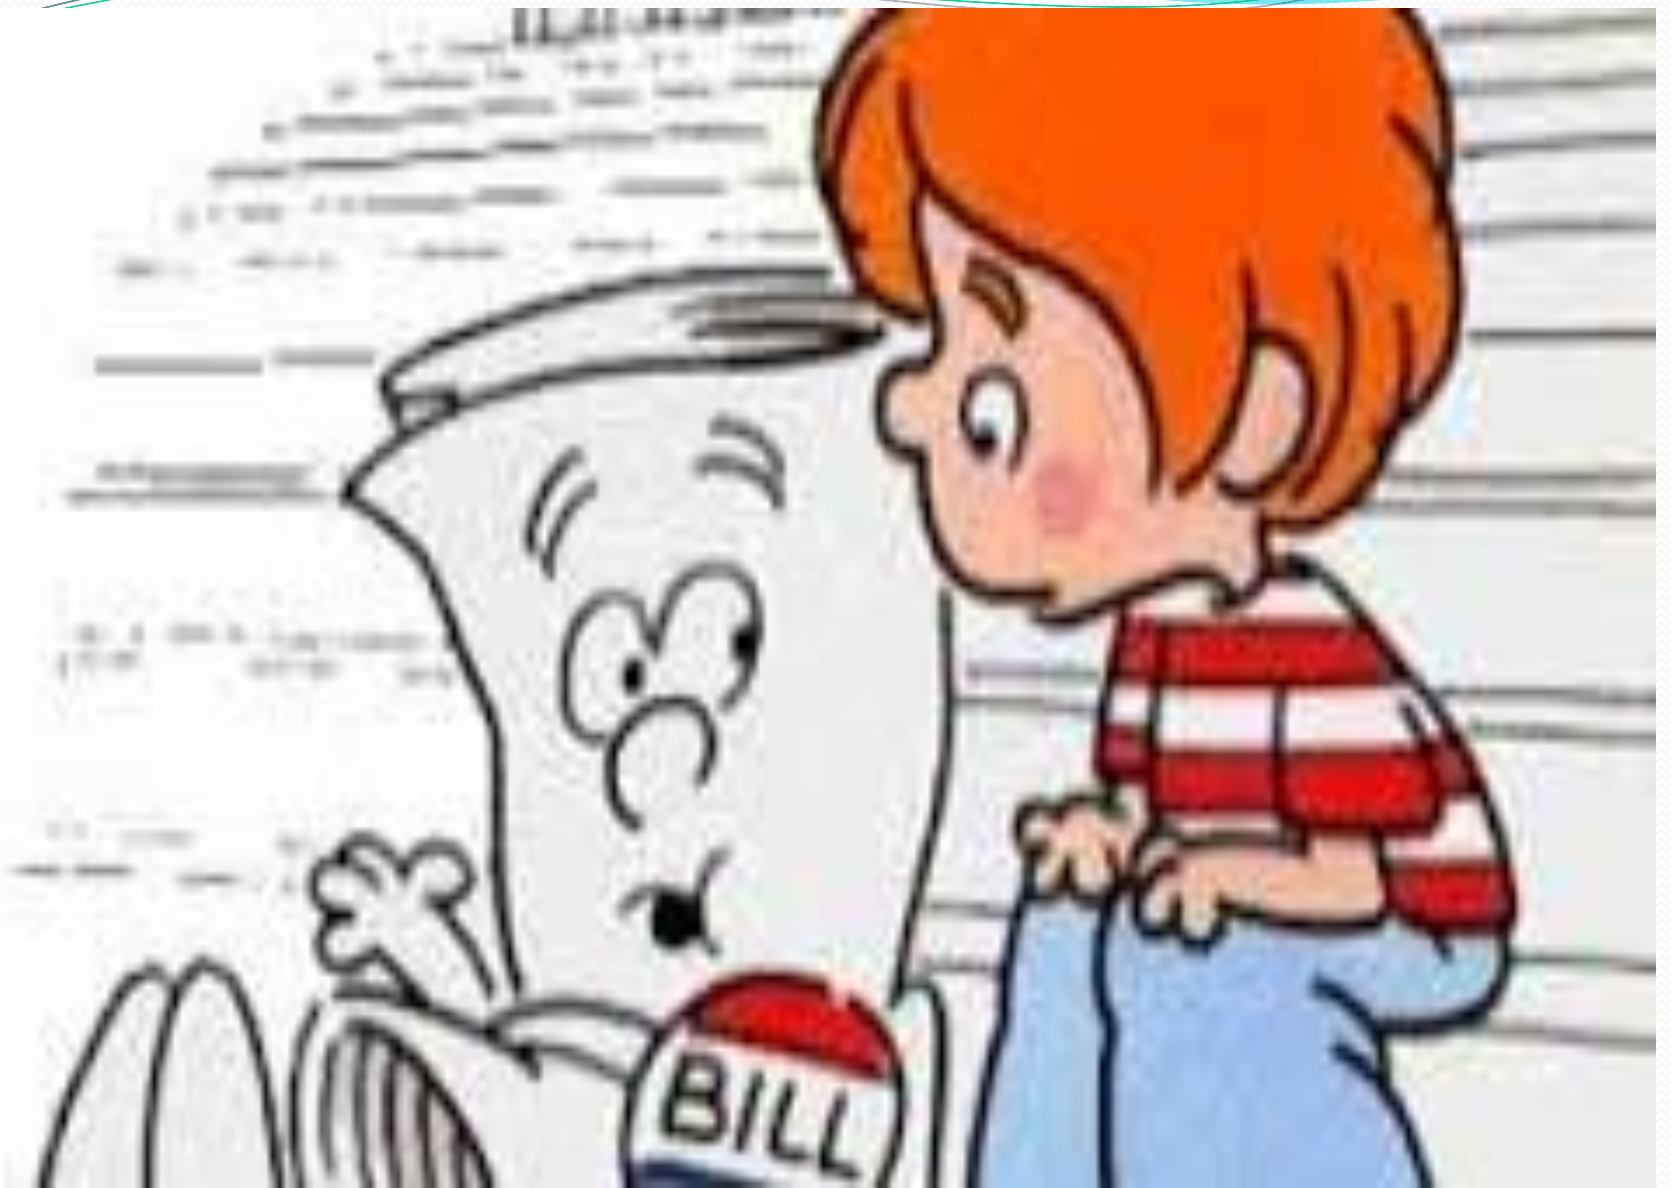

# Reason Prevails

- May 20, 2014 – C-ID Verification Timeline for AA-T and AS-T Degrees.
- “The previous deadline of June 1, 2014 has been extended to June 30, 2015.”
- December 31, 2014 100% deadline for ADT approval remains in effect.
- So:
  - Status quo for C-ID until 6/30/15.
  - BoG mandates unaltered.

# Note..

- “[W]here C-ID descriptors are available, have been awarded C-ID “approved” status. No other C-ID course status will be accepted”  
5/20/14 CO Memo
- C-ID submission mandates only apply to Core and List A.
- C-ID submission elsewhere is optional – if articulation is an indicated way of using a course, it may be used.
- New “deactivation” date of July 1, 2015.

# SB 440 (Padilla, 2013)

- New mandates for CCCs
  - BoG degree ADT development goals – Spring 2014
  - SB 440 mandates – Spring 2015
- ADT = Associate Degree for Transfer
- AOE = Area of Emphasis
  - Like a major, but broader.

# SB 440 (Padilla, 2013)

- Beginning fall 2013:
  - Every CCC shall create an ADT in every major/AOE for which there is a TMC **AND THEY HAVE A DEGREE IN THAT DISCIPLINE** within 18 months of the “approval” of the TMC.
- Before the end of spring 2015:
  - Every CCC shall create an ADT in every major/~~AOE~~ for which there is a TMC finalized prior to fall 2013 **AND THEY HAVE A DEGREE IN THAT DISCIPLINE**.
  - Two TMCs in AOE's will be developed.

# BoG AND 440

- Each college committed to the BoG that they will develop X degrees by the end of spring 2014.
- Did they?
- 440 adds a mandate for the development of additional degrees by the end of spring 2015
  - For all disciplines for which there was a TMC in place prior to fall 2013 – if you have a degree in the discipline, you will create an ADT.
  - BoG goals allowed for “pollution credits”
  - SB 440 does not!

# ICW Working Definition

- An AoE is an interdisciplinary TMC that is developed to serve multiple majors at the CSU.
- Originating department at CCC may be unclear.
- Exploring:
  - Allied Health/Health Science
  - Ethnic Studies
  - STEM/General Science
  - Global studies/international relations
  - Applied Arts

# Issues with mandate...

- Workload
- Interference with local control of curriculum
- Unable to develop some ADTs due to:
  - Inability to develop and/or offer a course(s)
    - low enrollment, expensive to offer
    - lack faculty expertise
  - Unit limits – student must be able to complete degree in 60 units

# Potential CCC response to ADT mandates?

- Drop existing degrees?
- Rename existing degrees?
- Develop new or (re-purpose old) mechanisms to enable colleges to offer degrees?
  - CVC
  - Re-purpose/rename “conjoint programs” to Collaborative Programs

# “Collaborative Programs”

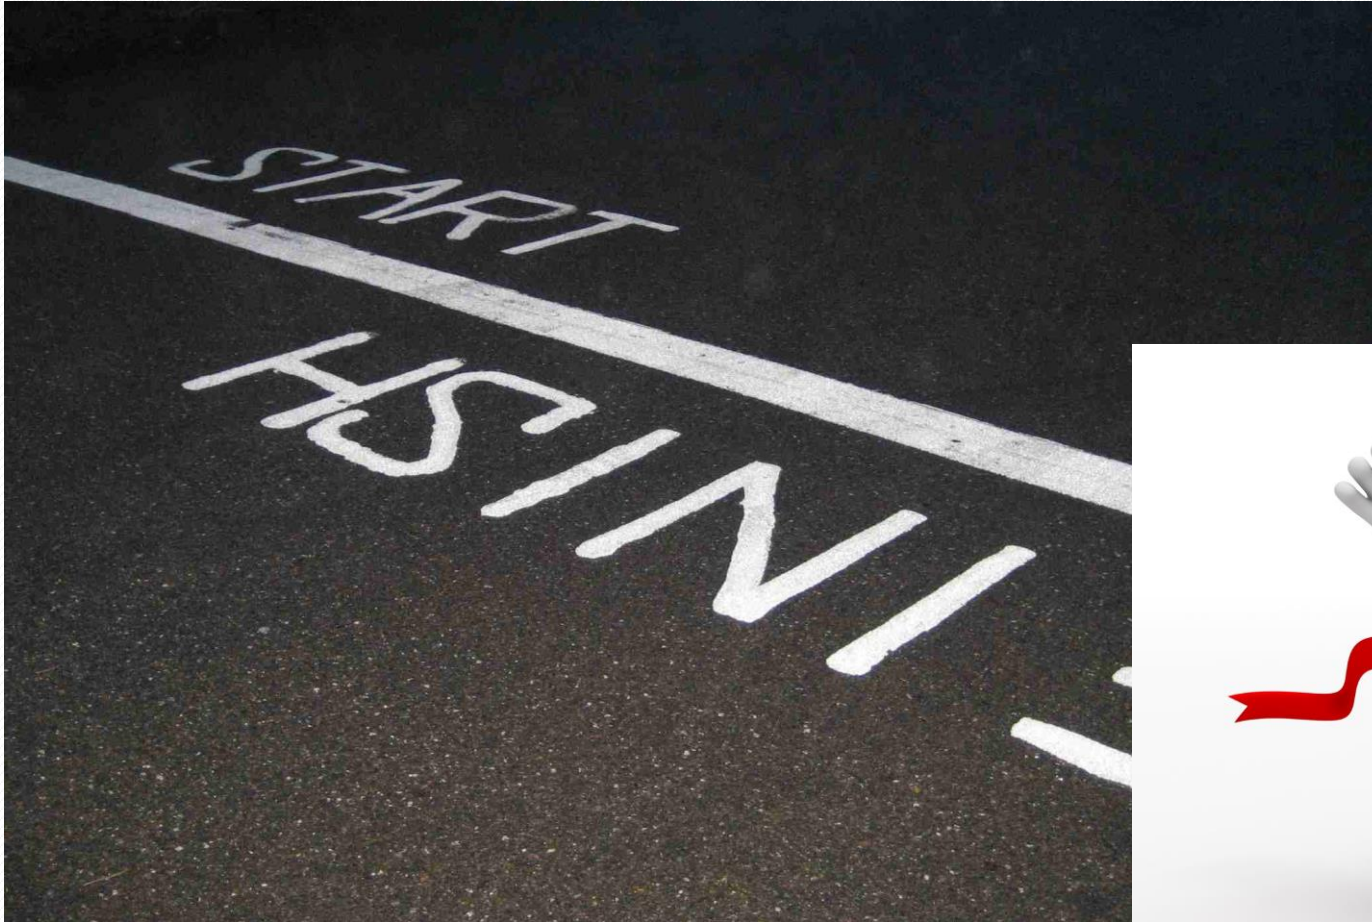

- TMCs establish the shared curriculum required for “conjoint programs”
- Between colleges – intra or inter districts
- Survey completed in May
- SACC policy statement and CO policy, process, and guidelines forthcoming

# AoE TMCs

- Establish listservs to recruit faculty and/or use existing appropriate distribution lists
- Convene Discipline Input Group
- Convene Faculty Discipline Review group
- Vet products
  - TOP Code must be indicated during vetting
- AoE Criteria
  - Minimum number of CSU majors deeming TMC similar?
  - Minimum number of students served?

# When are we “done”?

# “Done” criteria?

- Ensuring that all disciplines that have  $\geq 200$  transfer students have been addressed.
  - Must be some element of consistency across CSU campuses.
  - Minimum number of CSUs with major
- Should the goal be to have an ADT pathway for all students?

# Descriptor and TMC Review

- 5-year review process for descriptors already developed
  - Initiate process year 4
  - Invite comment
  - CORs MAY need to be submitted
- TMC review – process to be developed

# Scheduled 2014-2015

| <b>Discipline</b>     | <b>TMC Date Approved</b> | <b>Proposed TMC Review Initiation</b> | <b>Proposed Descriptor Review Initiation</b> | <b>Combined TMC and Descriptor Proposed Schedule*</b> |
|-----------------------|--------------------------|---------------------------------------|----------------------------------------------|-------------------------------------------------------|
| Communication Studies | Spring 2011              | Fall 2015                             | Fall 2014                                    | Fall 2014**                                           |
| Psychology            | Spring 2011              | Fall 2015                             | Fall 2015                                    | Fall 2014**                                           |
| Sociology             | Spring 2011              | Fall 2015                             | Fall 2014                                    | Fall 2014**                                           |

# Ongoing challenges

- TMCs
  - Unit issues
  - Lack of clarity regarding BoG mandates
- C-ID
  - Lack of CSU reviewers

# Questions or Comments?

# Quick Updates

- New acronyms
  - ISMC = Intersegmental MC
  - CCCMC = Intrasegmental MC
- Timeline for CCCCO Templates
  - September 1, February 1
- TMCs recently completed:
  - Nutrition/dietetics
  - Child and Adolescent Development
- New VC in Academic Affairs at CCCCO?

**Thank You!**
