

Navigating the Pathable Event Platform

Logging into Pathable

All presenters will receive an invitation to access the event on the Pathable platform one week before the event. All emails from the platform will all be sent from no-reply@pathable.com and the sender will be “ASCCC Sandbox”. If you are unable to locate the email, search the email and sender name in your inbox and spam folders.

Hi Selenal

The 2021 CAL OER - Virtual Conference is taking place August 4-6, 2021! We are excited to provide attendees with a robust Virtual Event Platform that's secure, interactive, and will encourage attendees to connect and collaborate before, during, and after the Institute.

The invitation will include a link to sign-in to the website and set up your profile if you are a first-time Pathable user. Please follow the link and complete your profile as prompted by the platform.

Thank you for registering for CAL OER 2021. To help you meet the other attendees, we've created a website and app where you can build your personal schedule, talk to the other attendees and access conference materials. Use the link below to sign in from your computer, then **use the same link from your mobile device** to access your account.

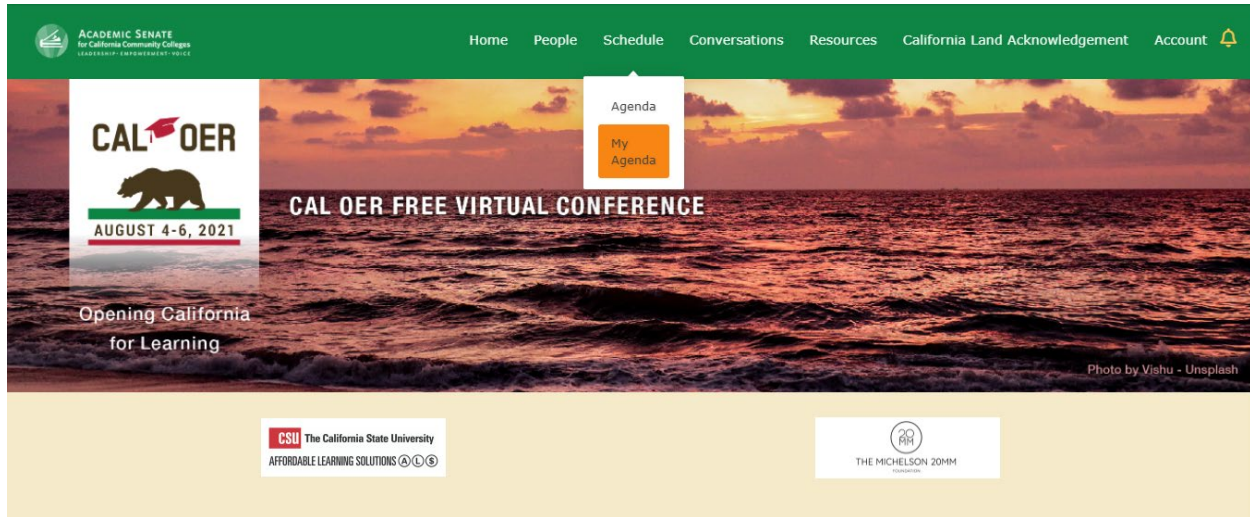

[Sign-in to website and mobile app](#)

To prevent others from accessing your account, please do not forward this email.

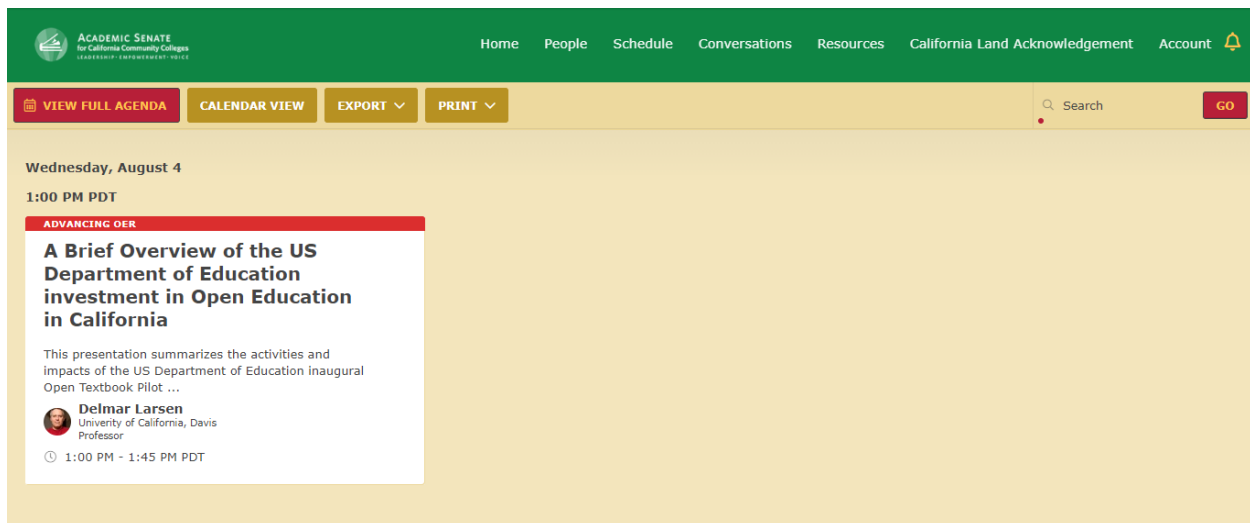

(Note: This link is personalized just for you, so please don't forward this email.)

Joining as a Presenter

Your agenda will automatically be populated with all the sessions you are listed as a presenter. To navigate to your session, hover over “Schedule” on the toolbar and select “My Agenda”. Any sessions that you signed up to attend as an attendee will also be added to your agenda.

Select the title of the session you would like to join to open the session page.

On the session page, there will be a count-down to the start time. As a presenter, you will be allowed to join the “green room” 20 minutes prior to the session to get set up. 20 minutes prior to the session a “JOIN MEETING” button will appear underneath in the area where the count-down is listed. Select the

“JOIN MEETING” button to enter the Zoom room.

The screenshot shows a Zoom meeting page. At the top is a green navigation bar with the 'ACADEMIC SENATE for California Community Colleges' logo and menu items: Home, People, Schedule, Conversations, Resources, California Land Acknowledgement, and Account. Below the navigation bar, there is a header with a back arrow and the text 'BACK TO BREAKOUT SESSION 2 - CLICK TO VIEW SESSIONS', along with 'NOTES' and 'MANAGE' buttons. The main content area features a red 'ADVANCING OER' badge, the title 'A Brief Overview of the US Department of Education investment in Open Education in California', and a profile for Delmar Larsen, Professor at UC Davis. The meeting time is listed as 1:00 PM - 1:45 PM PDT on Wednesday, August 4. A description follows, and another 'ADVANCING OER' badge is at the bottom. On the right, a timer shows 15 days, 4 hours, 33 minutes, and 28 seconds. A red circle highlights a message that says 'This live meeting hasn't started yet'. Below the timer are tabs for Chat, Polls, Files, and People. A download icon is visible at the bottom right of the main content area.

As a reminder, the Zoom chat will be disabled. The chat will be available on the session page in the chat box. This area is where attendees can see any polls and files affiliated with the presentation as well.

This screenshot shows the Zoom chat interface. The top navigation bar is identical to the previous screenshot. The chat area has tabs for Chat, Polls, Files, and People. The chat content displays a download icon, the text 'No Messages', and 'No messages have yet been sent.' At the bottom of the chat area is a text input field with the placeholder 'Start typing...' and a red 'SEND' button.
