## BASICS OF ACADEMIC SENATES: LAWS AND REGULATIONS FOR SENATE PURVIEW

1.	What is the difference between Education Code and Title 5?
2.	Is academic senate purview defined under California state law or under Title 5 regulations?
3.	What is the difference between shared governance and collegial consultation?
4.	What is the difference between "primarily rely" and "mutually agree"?
5.	What are "academic and professional matters"?
6.	In what areas do academic senate and union roles overlap?
7.	Name an example of a current problem that the academic senate on your campus or in your district is struggling to address.
