I. Land Acknowledgement –

We acknowledge that our campuses are located on unceded territories of Yokuts, Miwuk, Gabrielino, Tongva, Serrano, Cahuilla, and Luiseno peoples, who have continuously lived upon this land since time immemorial. We recognize the historic discrimination and violence inflicted upon Indigenous peoples in California and the Americas, including their forced removal from ancestral lands, and the deliberate and systematic destruction of their communities and culture. We have a responsibility to oppose all forms of individual and institutionalized racism toward all people but especially toward Indigenous peoples in which discrimination has occurred through the omission and silencing of Indigenous voices. We embrace our position as educators to collectively learn how to actively address settler colonial legacies. We honor Indigenous peoples—past, present, and future—here and around the world.
